

Student Goals Reporting Instructions and Template

Submission of Student Goals

1. Set and track our student's goals – Student Goals Report.

- The Student Goals Report can be obtained on the LVVS.org website under the Tutor Portal under Forms on the left hand side.
- Provide specific detail or refinement of Goal in Comments column.
- Add a student specific Goal under "Other" within a category
- Indicate the date a goal has been set. When achieved, indicate date the goal is met.
- If your student set a goal on a past report but didn't achieve it, please close it out and put in the Date Set column Not Achieved (N/A).
- If the student has not yet met a goal, please indicate the progress to date in the Comments column.

2. Please submit quarterly to the LVVS office (if there are updates).

Goals can be submitted by email to info@lvvs.org (or mailed/dropped off at the office). They can be submitted either written out in the email or by attaching the full Student Goals Report.
